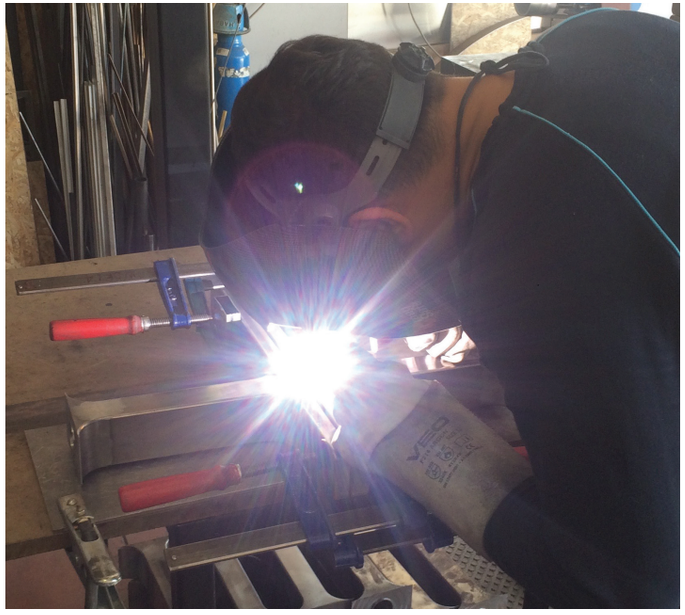
KANDELA
LIGHTING & DESIGN

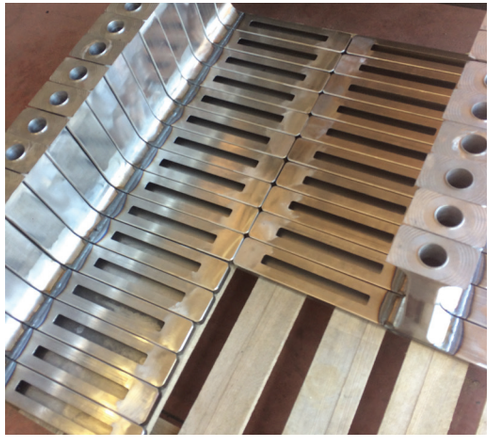
About us

Our company, which is in its 10th year, continues to take an important place in the lighting sector at home and abroad with the breakthroughs it has made during this period.

Our company offers superior decorative products, corresponding to international standards, with its distinct product design ideas for hotels, congress centers, shopping malls, Business Centers and elite housing projects as well as the experienced team located in our production facilities in ÇORLU Tekirdağ and Moscow, Russia.

Kandela Elektrik carries out a variety of domestic and international projects using various materials such as glass, wood, iron, brass and crystal, created by the company's experienced craftsmen and its creative design team.





Any idea turns into a unique design object, step by step passing its way through all stages of its implementation.

The first stage is the time when all the author's images and thoughts materialize in sketches and drawings.

Next - analysis and structuring of sketches in order to convert them into drawings and create a complete image of the future model, using technology,

An important stage is the material embodiment of the model from the drawing stage into a finished sample, in which all the thoughts and ideas of the author come to life.

Each model is unique, each sample is unique. But when project authors, designers and technicians work together, in conjunction with each other, based on mutual understanding and attention to teamwork, then after days, and sometimes months, lines and shapes take on a material appearance in not just one, but in several unique objects.

SMD – 53

Specifications:

IP20 rated
Lighting system: 60 x LED
Max Wattage: 60 x 1W
Color temperature: 2000-4000K

Dimensions:

Ø 31-1/2” (800mm) | H 118” (3000mm)

Frame materials:

brass

Shade/diffuser material:

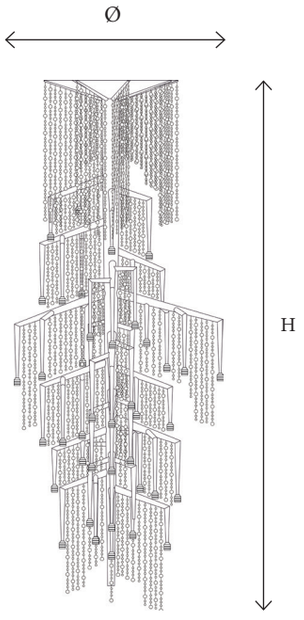
crystal

Frame material finishing/coating:

naturally polished

Coating color:

- brass | BR S02
- burnished brass | BB S03
- matte chrome | MT S04
- gold | GL S01



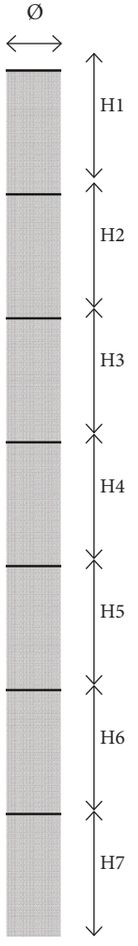
SMD – 45

Specifications:

IP20 rated
Lighting system: 8 (H7) x E27
Max Wattage: 8 (H7) x 46W
Color temperature: 2000-4000K

Dimensions:

Ø 31-1/2” (800mm) | H 78” (2000mm)
or can be customized as per request of a client



Frame materials:

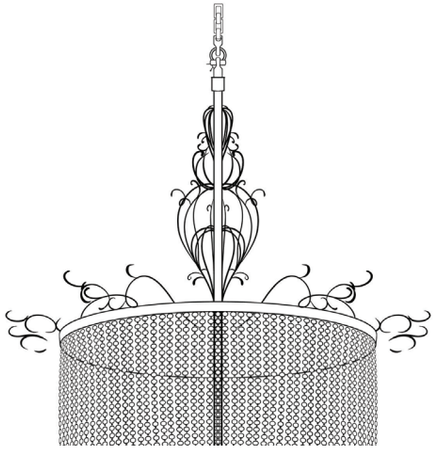
steel

Frame material finishing/coating:

paint
naturally polished

Shade/diffuser material:

glass
crystal



KANDELA

ATELIER SERIES

SMD – 50

Specifications:

IP20 rated
Lighting system: LED strip

Dimensions:

L 59” (1500mm) | B 19-11/16” (500mm)
H 39-3/8” - 59” (1000 - 1500mm)
or can be customized as per request of a client

Frame materials:

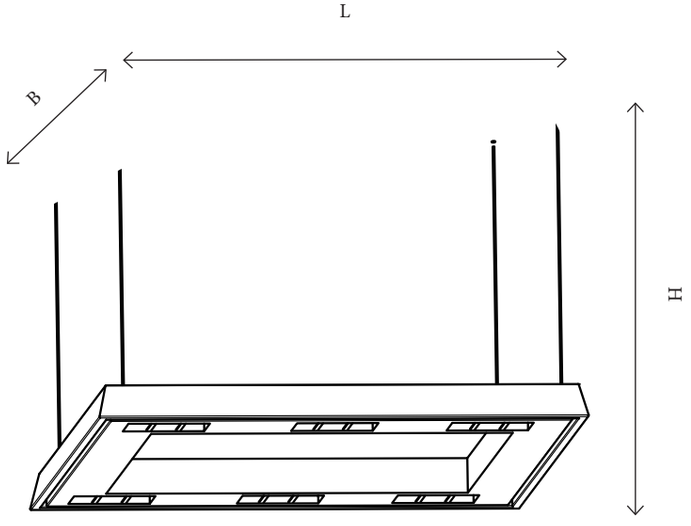
steel

Frame material finishing/coating:

naturally polished

Coating color:

- brass | BR S02
- burnished brass | BB S03
- matte chrome | MT S04
- gold | GL S01



SMD – 51

Specifications:

IP20 rated
Lighting system: 1 x E27
Max Wattage: 1 x 60W
Color temperature: 2000-4000K

Dimensions:

L 64” (1630mm) | B 15-3/4” (400mm)
H 51” (1300mm)

Frame materials:

brass

Frame material finishing/coating:

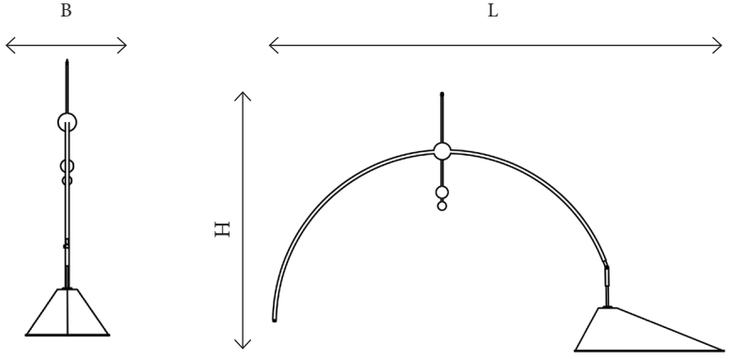
paint
naturally polished

Coating color:

- brass | BR S02
- burnished brass | BB S03
- matte chrome | MT S04
- gold | GL S01

Shade/diffuser material:

- fabric | VK1-2001
- fabric | VK2-2001
- fabric | VK3-2001



KANDELA

ATELIER SERIES

DMD – 52

Specifications:

IP20 rated
Lighting system: 1 x E27
Color temperature: 2000-4000K

Dimensions:

L 19-11/16” (500mm) | B 10” (250mm)
H 118” (3000mm)

Frame materials:

steel

Shade/diffuser material:

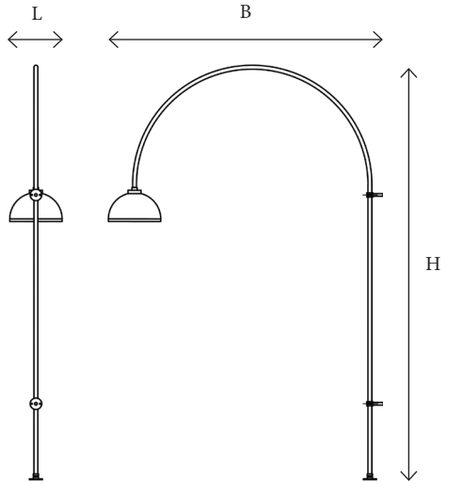
ceramics

Frame material finishing/coating:

paint
naturally polished

Coating color:

- brass | BR S02
- burnished brass | BB S03
- matte chrome | MT S04
- gold | GL S01



SMD – 47

Specifications:

IP20 rated
Lighting system: LED
Max Wattage: 5W
Color temperature: 2000-4000K

Dimensions:

Ø 5-29/32” (150mm) | H 139-3/8” - 59” (1000 - 1500mm)

Frame materials:

stainless steel

Shade/diffuser material:

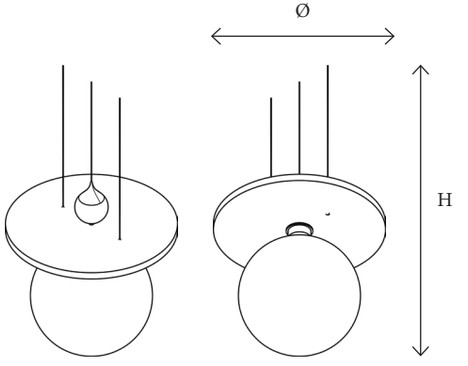
glass

Frame material finishing/coating:

naturally polished

Coating color:

- matte chrome | MT S04
- gold | GL S01



KANDELA

ATELIER SERIES

SMD – 46

Specifications:

IP20 rated
Lighting system: 23 x E14
Max Wattage: 23 x 25W
Color temperature: 2000-4000K

Dimensions:

Ø 59” (1500mm) | H 59” - 78” (1500 -2000mm)

Frame materials:

steel

Frame material finishing/coating:

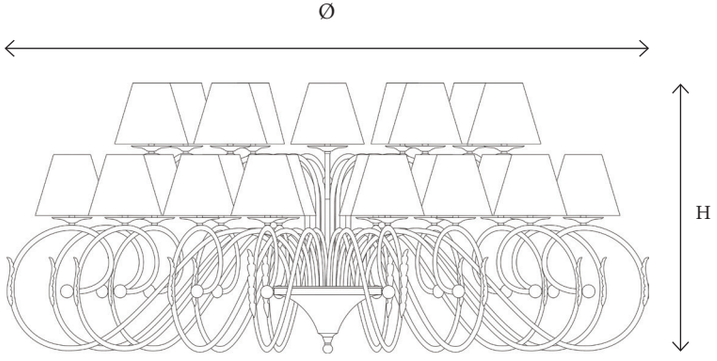
paint
naturally polished

Shade/diffuser material:

- fabric | VK1-2001
- fabric | VK2-2001

Coating color:

- brass | BR S02
- burnished brass | BB S03
- matte chrome | MT S04
- gold | GL S01



SMD – 45

Specifications:

IP20 rated
Lighting system: 4 x E14
Color temperature: 2000-4000K

Dimensions:

Ø 19-11/16” (500mm) | H 47-1/4” (1200mm)
or can be customized as per request of a client

Frame materials:

steel

Shade/diffuser material:

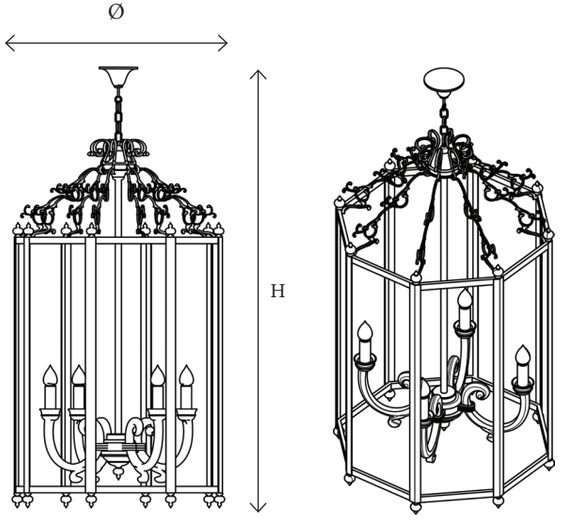
glass

Frame material finishing/coating:

paint
naturally polished

Coating color:

- brass | BR S02
- burnished brass | BB S03
- matte chrome | MT S04
- gold | GL S01



KANDELA

ATELIER SERIES

SMD – 29

Specifications:

IP20 rated
Lighting system: LED strip
Color temperature: 2000-4000K

Dimensions:

Ø 24” (630mm) | H 67” (1700mm)

Frame materials:

steel
brass

Frame material finishing/coating:

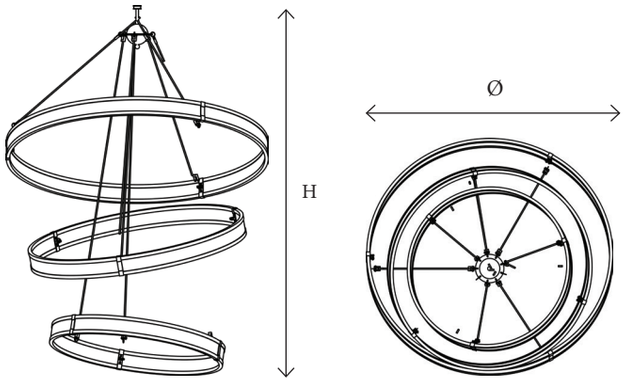
paint
naturally polished

Shade/diffuser material:

glass

Coating color:

- brass | BR S02
- burnished brass | BB S03
- matte chrome | MT S04
- gold | GL S01



SMD – 31

Specifications:

IP20 rated
Lighting system: 5 x E9 + 2 x LED
Max Wattage: 5 x 3W + 2 x 3W
Color temperature: 2000-4000K

Dimensions:

L 15-3/4” (400mm) | B 31-1/2” (800mm)
H 59” (1500mm)

Frame materials:

steel
brass

Shade/diffuser material:

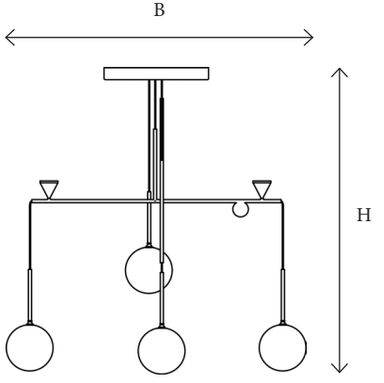
glass

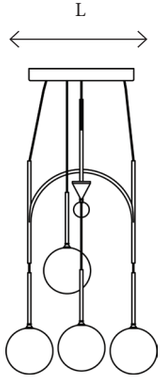
Frame material finishing/coating:

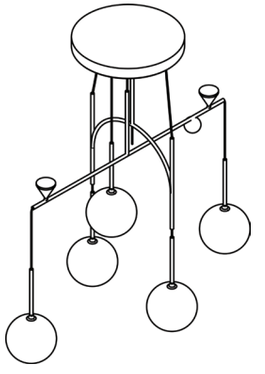
paint
naturally polished

Coating color:

- brass | BR S02
- burnished brass | BB S03
- matte chrome | MT S04
- gold | GL S01







KANDELA

ATELIER SERIES

YMD – 12

Specifications:

IP20 rated
Lighting system: 1 x E27

Dimensions:

L 19-11/16” (500mm) | B 7-7/8” (200mm)
H 55” (1400mm)

Frame materials:

steel

Frame material finishing/coating:

paint
naturally polished

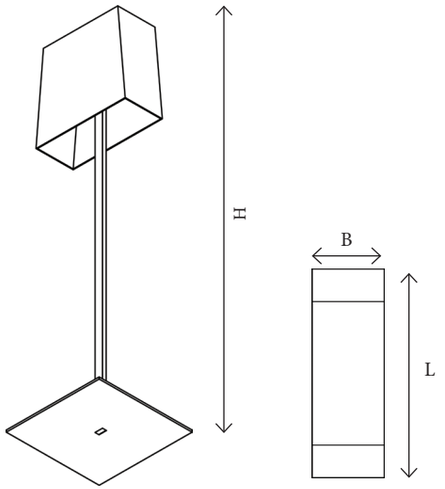
Coating color:

- brass | BR S02
- burnished brass | BB S03
- matte chrome | MT S04
- gold | GL S01

Shade/diffuser material:

acrylic

- fabric | VK1-2001
- fabric | VK2-2001
- fabric | VK3-2001



TMD – 3

Specifications:

IP20 rated
Lighting system: 1LED strip
Color temperature: 2000-4000K

Dimensions:

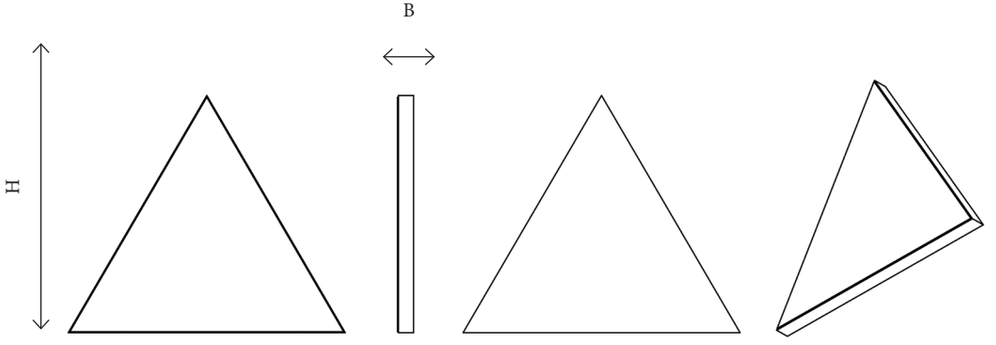
H 39-3/8” (1000mm) | B 3-5/32” (80mm)
or can be customized as per request of a client

Frame materials:

aluminum

Shade/diffuser material:

fabric | VK1-2001 / VK1-2002



KANDELA

ATELIER SERIES

SMD – 09

Specifications:

IP20 rated
Lighting system: 6 x E14
Max Wattage: 6 x 20W
Color temperature: 2000-4000K

Dimensions:

Ø 31-1/2” (800mm) | H 47-1/4” (1200mm)

Frame materials:

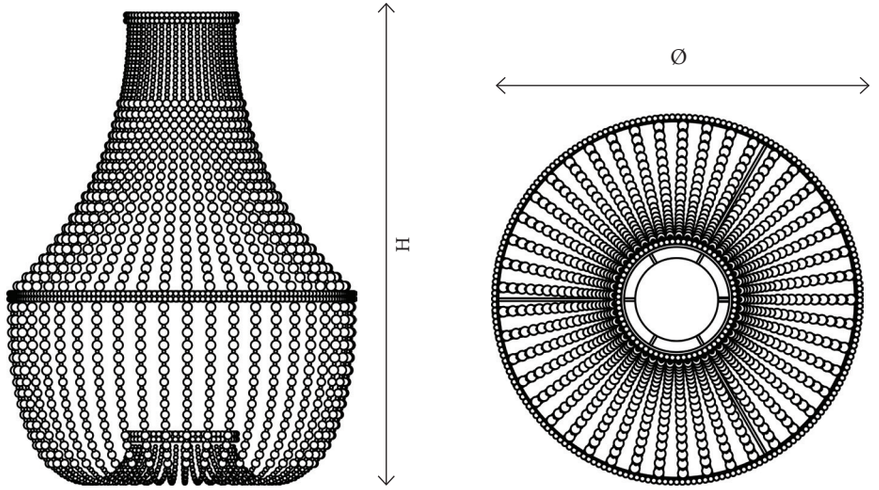
steel

Frame material finishing/coating:

paint
naturally polished

Shade/diffuser material:

glass
marble
wood



SMD – 28

Specifications:

IP20 rated
Lighting system: 1 x E27

Dimensions:

L 9” (226mm) | B 9” (226mm)
H 43-5/16” (1100mm)

Frame materials:

brass

Frame material finishing/coating:

naturally polished

Coating color:

- brass | BR S02
- burnished brass | BB S03
- matte chrome | MT S04
- gold | GL S01

Shade/diffuser material:

- fabric | VK1-2001
- fabric | VK2-2001
- fabric | VK3-2001
